

NEW! Homesnap Pro Showing Service

Homesnap Pro is part of your MLS service through the RANW MLS Paragon system at no additional fee. A new showing service, Homesnap Pro Showing Service, is being integrated within the RANW MLS Paragon system to bring you another great showing service option.

MLS Participants who choose to sign up and pay a onetime set-up fee for their company will see a Homesnap showing service icon on their listings within Paragon. The Homesnap Pro App would also contain a Showings tab that can be used to set up showings. (Note: Currently, Homesnap Pro does not provide access to Home Inspectors to schedule appointments.)

Cost: \$50 Set-up fee with no monthly charges. RANW MLS will add this one-time set up fee to your bill.

Visit homesnap.com/showings for more information.
