

REALTORS ASSOCIATION OF NORTHEAST WISCONSIN MLS

ELECTRONIC LOCKBOX – iBOX REQUEST FORM – July 2006 rev.

I hereby acknowledge that I initially received 120% of Supra Products, Inc. "iBoxes", per the active inventory of residential/single-family listings on file with RANW MLS. I am aware that iBoxes are also available for duplex and multi-family properties at 100% of these active properties on file with MLS.

I acknowledge that the iBoxes, which are being leased to me as the Broker of the above-referenced appraisal or real estate Brokerage Company, are the property of SUPRA and the REALTORS® Association of Northeast Wisconsin Multiple Listing Service (MLS) and that I am responsible for the physical security, maintenance of and, upon demand, return to the MLS of the iBoxes that are now or may later come into my possession.

I further agree to all additional terms of the Electronic iBoxes Agreement signed at the time of the initial system distribution. I need additional boxes to supplement the additional active residential single-family, duplex and multi-family listings my office now holds. Please update my iBox inventory as my active residential single-family, duplex and multi-family listings warrant.

I understand RANW MLS will verify the number of my office's active/pending/contingency residential single-family, duplex and multi-family listings before assigning additional iBoxes to my Office.
