- Reusable
- Impress your clients at your next open house!

REALTOR iTech Triple Cord (iPhone 4s/5s/Android) - So Handy!

That extra charging cable you always needed is now in the R.E. store. This piece has three different ends and will charge 95% of the tech devices made recently including (but not limited to) iPhone 5/5c/5S, iPhone 4/4s/3/3G, all iPads, most Samsung phones and tablets, most Motorola phones and tablets, most LG phones, All Kindles, most portable charging batteries and most Bluetooth speakers and earpieces. The other end of the cable has a standard USB connector to plug into your laptop or wall charger.

REALTOR® iTech Phone/Tablet Charging Battery - Great Tool or Closing Gift!

This Emergency Mobile Device Battery/Charger has a portable lithium battery in an aluminum shell and allows you to charge your devices anywhere. 2400 mAh provides enough juice to charge most smartphones at least once and possibly twice. Compact size is perfect to store anywhere (3-3/4"w x 7/8"h x 7/8"d). Four LED lights on the switch tell you how much charge you have left. Charges all phones, tablets, cameras, pocket gaming devices and iPods. Li-ion battery can be recharged 500 times with included USB cord. Charge time: approx. 3 hours. Includes battery, black bag and cord to charge battery.

"It Pays To Consult a REALTOR®" Metal License Plate Holder

Promote your profession and yourself with a license plate holder. The durable metal frame comes with pre-cut holes in gold or silver.

Homeowner's Records Portfolio

Give a gift that offers peace of mind. In the event your client should suffer damage, theft or loss of home, the home portfolio will contain all of the important information they need to rebuild their lives. Each padded binder includes:

- a congratulatory letter - just sign your name - envelopes to store property records
- an inventory checklist of household contents - vinyl magnets for emergency numbers
- plastic business card sleeves on inside & outside covers
- easy to follow instructions for organizing important documents

Door Protectors

Protect the homeowner's doors with these door protectors. Protectors come in black, grey, red, yellow, brown, blue or green - with or without a strap
